

Executive Board

Executive Director Walter Boltz

Walter Boltz

Born in Vienna in 1953

Degree in Engineering Physics from Vienna University of Technology
After completing his degree, he held different IT-related positions at an Austrian banking group.

For ten years, he was at the head of the Austrian branch of an international consulting group with a focus on management and technology consulting.

1991 - 1996: work for a large Austrian Bank of Commerce in Central and Eastern Europe with a focus on restructuring energy utilities

1996 - 1999: member of the management of an important German consulting enterprise

- 1999 – 2001: member of the Management Board of Price Pricewaterhouse Coopers Management Consulting for the Department of Energy & Utilities. In this position he worked intensively on all issues related to the liberalisation of energy markets in Austrian and Western Europe.
- Since 2001 he has been Managing Director of E-Control GmbH.
- Since 2011 he has been Executive Director of E-Control Austria.
- In 2001 he chaired the Working Group on Security of Supply of the Council of European Energy Regulators (CEER).
- From 2004 to 2005 he chaired the Working Group on the Single Energy Market of the Council of European Energy Regulators.
- From 2004 to 2005 he was president of the Association of Issuing Bodies (AIB).
- Since 2006, he has been vice-president of CEER and has been chairing its Gas Working Group.
